## **NEW BUSINESS**

• Front Entrance Landscaping

City Manager Lapeyrouse said that the POA has approved funding to redo some of the landscaping at the entrance. Christine Lamonte, POA, presented the landscaping plan to replace the mulch with grass and to add some small, native plants where there is limited landscaping. She said any plants removed from the entrance will be moved and used elsewhere. The main area to be redesigned is the front of the sign. The Maple tree will remain, and they will try to save the dogwood trees to use elsewhere (one of the dogwood trees is diseased). She said the POA has approved \$2,500 for funding. Councilor Carr said that she has been very pleased with the current landscaper, Jim Wells. Councilor Larsen made a motion to approve, 2<sup>nd</sup> Councilor Whatley, unanimously approved.

• Discussion of EMT Training for Police Department

Councilor Platt made a motion to establish a training program for the police department to receive EMT training, 2<sup>nd</sup> Councilor Carr. Chief Dills said that when he first came to Sky Valley, one of the ideas was to place an ambulance in service in the city; however this is not very practical. He said that instead, each officer can receive training to be certified as EMTs. There are two options for this: one option is \$1,500 per person at North Georgia Tech, the other option is for the training to be done locally in the County by Trampes Stancil, a state certified trainer. Mayor Martindale said we need to know how much it's going to cost before it can be approved. Councilor Platt said that if you have a major medical emergency, you need trained EMT's to respond. Council President Howard said the

Council is for the training, he is concerned with who is doing training and how training is done. Councilor Platt withdrew her motion. More information will be obtained.

## Bill Gorntey

Mr. Bill Gortney said that a couple of months ago, the Forest Service came up to his home and recommended cutting a dead tree and trimming some limbs. He said that he filled out a permit application and signed an affidavit stating that he was responsible for the work. The building inspector was not in the office so he could not get the permit. He got a call that he has a fine of \$50 for trimming limbs without a permit. Council President Howard made a motion to abate the \$50 fine, 2<sup>nd</sup> Councilor Carr, unanimously approved. Mayor Martindale said that he has been getting prices on the demolition, and he is trying to resolve this with cooperation from Merrill. Councilor Larsen said we do have to work with him as best we can because he does own a large amount of property in the city.

## Vacuum truck

City Manager Lapeyrouse said that she is looking into the option of a vacuum truck to suck the leaves out of the road instead of blowing them back into people's yards. She said that we have funds available from the sales of surplus property this year. Councilor Whatley asked if this would get the leaves out of the streets faster that the blower. City Manager Lapeyrouse said that it might not be faster, but she does believe it will be more efficient. Councilor Carr asked if the truck will be able to climb all of the streets. City Manager Lapeyrouse said that we can go inspect the truck and have a mechanical inspection done. Councilor Larsen made a motion to investigate the truck, and if it is working well to go ahead and purchase,  $2^{nd}$  Council President Howard, unanimously approved.

## **POA REPORT**

## **Marketing Committee**

Laura Gurly said she was asked to chair the POA's marketing committee. She said the main goal in her eyes is to turn over the vacant properties. Their first meeting is tomorrow at the Club at 3:00 PM.

He asked if the city would not put the meeting sign up front at the entrance. The POA is hosting a political forum Wednesday, October 2 at 10:00 AM at the Fellowship Hall. Citizen David Carr said that the forums have typically had over 100 people in attendance, and the Fellowship Hall will not hold that many people. Mr. Lamonte said that the previous forums have been held in the Fellowship Hall and that he believes it is large enough. Mr. Lamonte said he wanted to let everyone know that the POA is working to represent everyone in the city.

The 50k will start at 7 AM followed by the 8.5m at 8 AM. Runners will trickle back in between 11:30 AM and 4 PM with most returning sometime between 1 PM and 3 PM.

## Public Works -

We will be starting our leaf collection service beginning November 15th. This is the time of year that we allow you to rake your leaves into the ditch and we will come by to collect them. This collection service will end on December 15<sup>th</sup>. After that time, you will need to bag your leaves for collection. Please call City Hall for all leaf collection.

Please don't forget that any tree with a trunk that is 25" or more in circumference at 18" above the ground requires a permit for cutting, trimming & topping. If you had to obtain a permit to cut, it would not qualify for city chipping service. Contractors are responsible for the removal of all tree cuttings within 14 days.

Homeowner chipping service is done on the 2<sup>nd</sup> and 4<sup>th</sup> Tuesday of the month, weather permitting. Please take this schedule into consideration when planning your trimming. The City provides 15 minutes of chipping service to every homeowner each month at no cost. Chipping service is then provided at a rate of \$100/hour for any time exceeding the first 15 minutes. Cuttings must be less than 8" in diameter and must be stacked in one direction on the right-of-way, out of the road and not in an area that will block culverts or otherwise impede storm water drainage. We cannot chip small yard debris, vines, thorn bushes, small shrubbery clippings, railroad ties, landscape timbers, or similar type items. The chipping service is designed for limbs and small trees only. All other yard waste must be bagged.

Mulch from our chipping service is available for purchase from the City for \$25 per load delivered.

## Water-

The City of Sky Valley currently utilizes a groundwater withdrawal permit which permits us to withdraw a limit of 300,000 gallons of water per day from our wells. Currently, we have the capability to pump approximately 264,000 gallons of water per day with our existing wells and our average daily withdrawal ranges from approximately 60,000 – 80,000 gallons per day. The City also maintains a surface water withdrawal permit from Mud Creek Impoundment which has never been used. This permit would allow a maximum withdrawal of 400,000 gallons per day with a maximum monthly average of 250,000 gallons per day and would require the construction of a water treatment plant. There are no current plans for any such facility.

## Solid Waste -

Garbage service will continue with our Monday and Thursday pick-up service until further notice. Don't forget that garbage should not be placed out for pick-up any earlier than the morning of the service. Animals scatter garbage even when put in the underground cans. Our garbage collectors are not responsible for picking up any garbage that is not properly bagged once they arrive. The dumpster at the tractor barn on Knob Drive can be utilized when you need to take your garbage somewhere prior to a garbage collection day. This is especially important when your garbage contains food items. NO garbage other than regular household garbage should be put out by the road or in the dumpster. Anyone found dumping lumber, carpeting, paint, etc. in the dumpsters will be cited. These materials must be hauled to the transfer station on Boggs Mountain Road in Tiger. Recyclables and other household garbage can be taken to the recycle center on Kelly's Creek Road. The recycle center is open 7 AM – 7 PM Monday – Saturday and 12 PM – 5 PM on Sunday.

With the nation becoming more environmentally conscious, we need to recognize the importance of recycling. By the end of the 3rd quarter last year we had hauled a total of 115.04 tons of garbage to the landfill. This year, we hauled 126.71 tons during the first 3 quarters. This is a 11% increase. It is essential that we encourage ourselves and our neighbors to recycle.

Re: Request for Variance approved by Planning and Zoning Commission, 10-15-2013

#### Gentlemen:

We apologize for not being able to be in attendance at the City of Sky Valley Council meeting Monday, October 21, 2013, when you consider our request for a zoning variance at our Sky Valley house. We need to return to Florida by this weekend for other commitments.

We are planning on adding a carport along the side of our house which will give us coverage for our car and also cover for the entrance to the house, which is uncovered at this time. The builders have told us that we need the additional width to allow for car doors to open unobstructed and have sufficient entrance area into the house.

Thank you for your time and consideration of this application.

Sincerely,

**Douglas & Deborah Palmer**

Subject: Sky Valley water

Sunday, October 6, 2013.

Regarding the water necessary for the city water system and the golf course we do not have a problem now because of the unusual amount of rain during the Summer. However, it was a serious problem during the droughts of past years when the underground water table reached a low level and mud creek slowed to a trickle. If a sewer system is eventually created, the first requirement will be a reliable and adequate supply of water, probably much more than is now available.

The main supply of surface water into Sky Valley is Mud creek and some other small creeks flowing into it. In the area bordering Sky Valley Way from the culvert near the Chapel drive on passed the mail boxes to the city (and State) boundary line heavy growth of brush and trees line the creek banks, especially alders across from the mail boxes. These trees and brush withdraw a great quantity of water from Mud creek. In addition, the small pond behind the dam has been infested with grass which is fast taking over the pond and will soon make it a swamp with the water grass taking up more and more water. The County Agricultural Agent and Health Department can tell what to do to kill the grass. Unemployed men who can use chain saws can cut the unwanted heavy growth, if the present city workforce do not have time to do so.

Eliminating the brush, alders and other unwanted growth will raise the water flow of Mud creek into the lake and also improve the level of the underground water table for the present and the future. Regrowth of the cut vegetation can be eliminated by using environmentally safe herbicide spray to kill the roots when the stumps sprout. Mims Wilkinson

## CONTRACT FOR THE COLLECTION OF DELINQUENT PROPERTY TAXES FOR CITY OF SKY VALLEY, GA

State of GEORGIA County of Rabun

THIS AGREEMENT, stated by and between:

## CITY OF SKY VALLEY, GEORGIA

Hereinafter referred to as "City", and

## APPALACHIAN MOUNTAIN SERVICES, INC. 1805 Herrington Road, Building 1, Suite B Lawrenceville, Georgia 30043

Hereinafter referred to as "Appalachian". This agreement shall be known as the "TAX COLLECTIONS AGREEMENT".

WHEREAS, the City is engaged in the billing and the collection of city real property and personal property ad valorem taxes, and is desirous of obtaining the services of Appalachian in an effort to quickly and efficiently collect its delinquent taxes without any additional cost to those citizens of the City of Sky Valley, Georgia, who have timely submitted and paid their respective City tax liabilities, and;

WHEREAS, Appalachian has submitted its proposal to assist the City with the collection of its valid and outstanding tax delinquencies with a program of payment of its fees from the additional statutory charges, which can be levied against the delinquent tax payer and his respective property without the City incurring costs for the services performed by Appalachian, and;

WHEREAS, the use of the services provided by Appalachian will result in a concentrated effort to collect the delinquent taxes without the necessity of adding additional staff to the City payroll or additional equipment cost and should improve the City's tax collection ratio.

**NOW, THEREFORE**, in consideration of mutual benefits flowing between the parties to this agreement, it is hereby agreed between the parties as follows:

## 1. Obligations of the City

The City agrees to assist Appalachian in its task of fairly, quickly and efficiently collecting and returning the outstanding tax obligations owed to the City. To accomplish this goal, the City agrees to the stipulations set out in this section. The City will supply Appalachian with a list of all those parcels that it wishes to be collected upon. It is

understood that Appalachian will act in reliance on the accuracy of the information provided by the City and Appalachian is instructed to accept said list as a true and correct representation of the status of the respective accounts as shown on the tax records of the City. Appalachian will accept the list as presented and immediately begin the Pre-Levy portion of the collection process. The City agrees to provide information relating to the following:

- A. Correct name and address (when possible) of the property owner.
- B. The correct Map and Parcel number of the land tract.
- C. A copy of the respective tax execution (fifas) for each year intended for collection.
- D. At the time that a parcel is turned over to Appalachian for collection, the City must flag that respective parcel in its computer system to insure that the applicable penalties, interest charges and collection fees are collected.
- E. With the exception of any legally privileged information submitted by taxpayers of the City, the City will provide Appalachian with complete access to its tax and real estate records, to include mapping and prior appeals records.
- F. In the event Appalachian receives a request from the taxpayer to send him copies of relevant tax records, such as executions or assessment records, the City agrees to provide such documentation to the taxpayer without charge to Appalachian.
- G. The City will promptly notify Appalachian when it receives any notice of filing of a debtor's petition in bankruptcy, which affects the collection of a particular account or accounts. Upon receipt of this information, Appalachian will immediately cease any further collection effort on this account until notified by the City's Attorney or the City Clerk's office of the dismissal of the bankruptcy or a relief from the stay. As part of the proof of claim filed by the City in the bankruptcy case, the City will include the applicable collection or title examination fee as allowed by the court and upon recovery of the same, Appalachian will be entitled to receive its normal fee from the collection. Appalachian will fully cooperate with the City in its attempt to prosecute its rights in Bankruptcy Court.
- H. When and if necessary, other City departments will cooperate with these City officials to insure accurate and up to date information is provided.

## 2. Legal Representation

The City Attorney will represent the City in all legal challenges of actions involving the collection of the accounts. In the event, a lawsuit is filed seeking to prevent the collection of any account or to otherwise halt or restrain the collection of said account, Appalachian will immediately turn over to the City Attorney's office, a copy of its full file, detailing its collection efforts to date and Appalachian agrees to assist the City Attorney in the defense of the suit.

## 3. Obligations of Appalachian

Appalachian will accept the list given to it by the City and will immediately commence to use its best effort in the Pre-Levy collection process, in accordance with approved collection procedures of the Fair Debt Collection Practices Act and all other applicable state and federal laws.

In Pre-Levy, Appalachian shall perform the following tasks as required to give notice of the tax delinquency to the taxpayer and attempt to collect on the account without the necessity of levy and sale of property. Appalachian will begin the process of verification and skip tracing as needed. A minimum of one (1) specific collection letter will be sent to the taxpayer.

In the event the tax account is not paid to the City during the Pre-Levy process, Appalachian agrees, upon receipt of instruction from the City, to commence its Levy collection process, which may result in a levy on the property and possible sale of the same to satisfy the tax liability.

In Levy, Appalachian shall when necessary:

- A. Run a computerized search of the bankruptcy records under the name of the taxpayer.
- B. Run an examination of the real estate records of the City to determine the present ownership of the property in question and all parties entitled to receive notice of tax sale on the property.
- C. Prepare a levy notice to the defendant in fifa and the current record holder and all current mortgage and other interest holders
- D. Conduct a diligent search of all general execution dockets and federal and state tax records.
- E. Prepare a description of the property to submit to the newspaper for legal advertisement.

In the event the City elects to proceed with the levy and sale of a parcel, Appalachian will supply the necessary levy information to the person authorized to conduct the tax sale to begin the levy and sale process.

Appalachian shall indemnify and hold forever harmless the City, its elected officials, officers, employees, agents, affiliates, successors and assigns, from and against any and all claims, demands, suits, actions, proceedings or damages (including, but not limited to, attorney fees, costs and expenses) arising from the negligent, reckless or wanton acts or omissions of Appalachian, its employees, agents and/or representatives.

## 4. Payment of Services Rendered

It is the intent of Appalachian that its collection services not be an expense chargeable to the City's taxpayers who pay their taxes in a timely manner and that services as rendered by Appalachian are paid by its collection efforts. All of Appalachian's fees will be paid from the added administrative and collection fee portion of the tax bill, in accordance with and as permitted by State law. At no time will any fees be assessed above the maximum allowed by law.

At the end of each month the City will notify Appalachian of the total amount of Appalachian's fees collected during the month. Appalachian will send an invoice for that amount to the City for payment. Terms of payment are net thirty (30) days from the invoice date.

The following is an outline of the payment schedule allowed to Appalachian:

- A. Database Preparation: If a suitable Microsoft Excel database cannot be provided in a timely manner by the City's software provider Appalachian will be paid \$300.00 to create the needed database.
- B. Collection Cost. For all accounts turned over to Appalachian during the Pre-Sale process, AMS will be paid \$65.00 for any parcel that has delinquent taxes greater than \$10.00.
- C. Limited Title Search: For all accounts turned over to Appalachian during the Sale process, Appalachian will be paid \$175.00 for title research and Certified Mail in addition to the Collection Cost in 4(A) for all parcels. Additional cost also added are copy charges at \$0.50 per page, a posting fee of \$25.00, and tax deed preparation of \$50.00.
- D. Additional Title Search Cost: In the event that a parcel requires an additional sale title search and Certified Mail cost will be added for each sale.

## 5. Payments Made By Taxpayers

It is intended that all payments made by the taxpayers or other interested parties on these accounts shall be made directly to the City and not to Appalachian. Under no circumstance will Appalachian accept or receive any tax payment from a taxpayer.

## 6. Cost incurred by the City

The City is responsible for recovering costs incurred for Legal Advertisement, Sheriff Services, Recording Fees, Copying Charges and Deed Preparation. The City may recover these fees from the Tax Payer under Georgia law.

## 7. Entire Agreement

This contract constitutes the sole and only agreement between the parties hereto; this contract correctly sets forth the obligations of all parties involved as of the date of this contract. Any supplementation or modification of this agreement must be in writing and signed by both parties.

Either party may terminate this contract without cause with thirty (30) days written notice. All levies assigned at the time of notice of termination without cause, shall be allowed to proceed through only the step they are in at the time of notice.

## 8. Term

This Tax Collections Agreement shall begin on the 1st day of November, 2013, and continue for one year. This agreement will renew unless otherwise terminated, as hereinafter provided. This agreement will renew with the written agreement of the City and Appalachian.

An individual violating the rules of decorum may be removed from the meeting at the direction of the Mayor.
- (d) Sergeant at Arms. The Chief of Police, or such member of the Department of Police as the Mayor may designate, shall be Sergeant at Arms at the Council meetings. The minutes shall specify the names of Councilors present at the meeting, a description of each motion or other proposal made at the meeting, the name of the Councilor who proposed each motion, the name of the Councilor who seconded each motion, and a record of all votes. In the case of a roll call vote, the name of each Councilor voting for or against a proposal shall be recorded. It shall be presumed that a Councilor has voted in the affirmative unless the minutes show otherwise. More detailed information may be included in the minutes at the request of the Council.

The official record of the Sky Valley City Council meetings consists of the written meeting minutes approved by a majority vote of the Council. At such time, all other copies of the minutes, including electronic media, will be destroyed. The minutes shall be open for public inspection once approved as official by the Council. A copy of the minutes from the previous meeting shall be distributed to the Councilors at least one business day before the following meeting. The minutes of the previous meeting shall be corrected, if necessary, and approved by the Council at the beginning of each meeting. Conflicts regarding the content of the minutes shall be decided by a majority vote. Upon being approved, the minutes shall be signed by the Mayor and attested to by the City Clerk.

Section 22. Committees. The Mayor, with the concurrence of the Council, may create committees of members of the Council to study any issue before the Council. Any such committees may make recommendations to the City Council but no committee shall be empowered to make any final decision on any matter before it for consideration. In addition to Council members, committees may include other city officials, staff or citizens at large. Whenever a committee is created, its duties, any limitation on the scope of its duties, and the times, places, and periods of time for which the committee may operate shall be determined by the Mayor with the concurrence of the Council. The Mayor shall serve as an ex officio member of all committees. - 1. The number of trees to be cut or topped.
- 2. The value of the trees to be cut or topped
- 3. The condition of the trees to be cut or topped, with consideration given to dead, diseased, hazardous or damaged trees.

  - (a) The City Marshal shall within ten (10) working days of the filing of the application (unless a longer time is agreed by the applicant) visit the property, confirm that the application is complete and consider Section 2 of the ordinance and make a written recommendation to the city manager that a permit be issued or denied.
  - (b) The city manager shall within five (5) business days of receipt of the recommendation of the City Marshal approve, disapprove, or approve in part the recommendation of the City Marshal. If the city manager approves in part or disapproves the recommendation of the City Marshal, written explanation outlining the reasons for approval in part or disapproval must be given.

- (c) The city council in considering an appeal will hear from the applicant, the city marshal, the city manager, and other persons who may wish to provide information to the city council. In making a decision the city council will be governed at all time by the criteria outlined in this ordinance.

In addition, the property owner must also obtain a new permit to cut or top any additional trees.

#### Section 8. Permit Fees,

All trees that are cut or topped as defined herein shall require a permit issued by the City of Sky Valley. Fees charged by the City for cutting, topping and removing dead, diseased or hazardous trees shall be established from time to time by duly enacted ordinances of the City of Sky Valley or by an appropriate resolution of the City of Sky Valley.

# Section 9. Final Inspection.

The Applicant/Licensed Contractor is responsible for making sure that all tree cuttings are removed within 14 days of cutting and for calling the City Marshal for a final

inspection within said 14 day period to avoid penalties. Tree cuttings authorized under this permit are not eligible to be left out for the City's chipping service. Tree cuttings that a homeowner desires to keep as firewood may be approved at the reasonable discretion of the City Marshal if such cuttings are of a typical fire log size and stacked near the home in such as manner as to be practically used for such a purpose.

- e. If the City Marshal determines that a proper permit was not obtained or more trees were cut than what was included on the approved permit, the City Manager and Property Owner shall be notified. If both the City Marshal and City Manager agree that if proper procedures would have been followed, the application would have been approved, the Property Owner shall pay a penalty to the City equal to double the normal permit fee (as provided in the current fee schedule) for the total number of trees that were improperly topped, trimmed or cut. The Property Owner shall have ten (10) days from the date of the notice to pay the penalty and avoid a citation.
